Falcons, What's better than a good friend? How about a group of good friends? Right now is the best time to make connections - and some of those connections can last for a lifetime. Perhaps you've already found your group. You may be on a team, in a club, or you may be in a class where your personality just clicks with others. If you've got a group of friends who have your back, then our word of the week is for you: Camaraderie. Camaraderie is the feeling of friendliness, goodwill, or familiarity within a group of people that share a common experience. It is the spirit of friendship someone feels when overcoming an activity or obstacle with others. Here it is in a sentence: "The strong sense of camaraderie among our Falcon teams empowers them to conquer even the toughest of challenges. Win or lose, Falcons are there for each other!" See the display case near the main office for more information about our word of the week. Don't miss out on your chance to win a fabulous prize.
